

## Request for Non-uthscsa.edu Domain 2011-2012

I wish to use the resources of The University of Texas Health Science Center at San Antonio to host a non-uthscsa.edu web domain. I have registered the domain, and will give 90 days notice to the Health Science Center's the Director of Multimedia Services if I intend to relinquish the registration. In addition, my dean or vice president is aware of my request and attests to the statements below:

1. The web site is not for profit.
2. The web site provides information that furthers the mission of the Health Science Center.
3. An employee of the Health Science Center is responsible for the web site's content.
4. Valid reasons exist for having the university, rather than a private company, host the site.
