Internet Explorer Settings for Enterprise Analytics

To eliminate the multiple logins by adjusting local intranet settings, adding inside.uthscsa.edu to the trusted sites settings, and enabling pass-through authentication in Internet Explorer.

Enterprise Analytics is located: Inside.uthscsa.edu>Business Applications>Enterprise Analytics>select desired template.

1. Begin by adding http://inside.uthscsa.edu to the list of Trusted intranet sites.
2. Open Internet Explorer and click the settings gear in the upper right hand corner of the page.

3. Click the Internet Options
