

# University Voicemail Upgrade

Coming Soon!

## Why?

- **Expand** voicemail features with upgraded technology infrastructure
- **Prepare** for integrating email with Office 365
- **Maintain support** for phone system software.

## Key Points

- All phone extensions will have voicemail available.
- Review, archive, and delete existing voicemails BEFORE Feb 15, 2019
- PIN reset and voice message need to be re-recorded
- Multiple methods for accessing and managing voice mail.
